Unique and Unusual

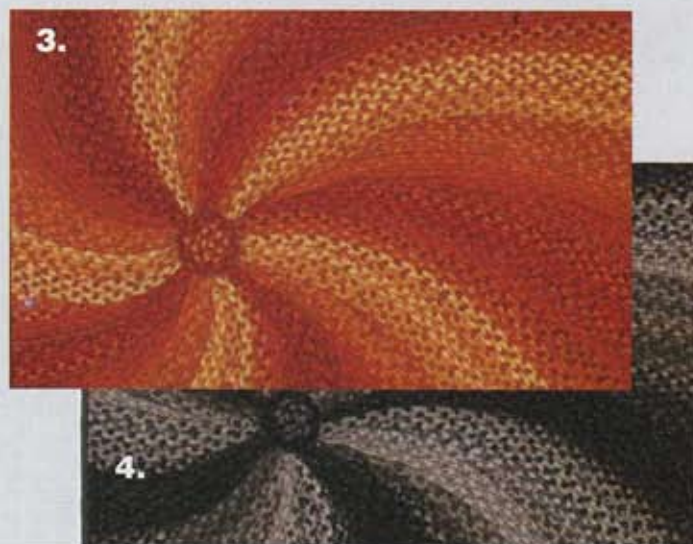

OBEETEE

New Williamsburg designs are being introduced by Obeetee. These are exquisite hand knotted rugs, reproduced from antiques in Colonial Williamsburg's collection of 17th, 18th, and 19th century carpets. The artisans at Obeetee have recreated the lush designs, quality and richness of the original using the same time honored techniques. Shown here are 1) Holobein Rust Dark Gray 5853009 and 2) Bidjar Chocolate 5853012.

HOMESPICE DÉCOR

Homespice Decor continues to modernize the concept of the braided rugs and to change consumer perceptions about this wonderful 300-year old American tradition. This SuperNova rug is hand made by one craftsman. The rug is offered in ten sizes, ranging from 2' x 3' to 8' x 10'. A 4' x 6' has the suggested retail of \$429. Shown here are 3) Fire and 4) Black and White.

NOURISON

The Nourison Liz Claiborne Home Collection continues to introduce luxuriously textured patterns fashioned by this illustrious designer. Shown here is 5) Modern Elegance, LH08 BKW with accents of faux silk, which is hand made in wool. The Claiborne 6) Landscape Stripes, LC10 LTB, offers lovely tones as a backdrop for any room. It is made with 100% wool yarn. Both rugs are available in five sizes from a runner in a 2'3" x 8' size to a 3'6" x 5'6" up to a 9'6" x 13'6".
