CARPETS FOR LIFE™

June 25, 2008

We are pleased to announce that we are relocating our U.S headquarters to the Orica Complex in Secaucus, New Jersey, effective July 1, 2008.

This new location will accommodate our corporate office, showroom and warehouse. Consolidating all our operations under one roof would enable us to service our customers more efficiently, and help us respond better to the growth of our business.

Various display techniques will be used in our new showroom to showcase our collections, including one of a kind rugs, making it a pleasant experience for our dealers to review Obeetee products.

The Orica Complex is ideally situated for easy accessibility, only 20 minutes from Newark International Airport and a short 15 minute drive from New York City. A free shuttle operates every hour between Orica building and Manhattan (5th Ave/30th St.).
